AlphaTec[®] Solvex[®]

37-145

Excellent chemical protection with a good level of grip, fit and comfort

Tactile, yet durable, this 11mil glove provides a great comfort across a diverse range of applications

- Combining ruggedness and chemical resistance, protects workers' hands exposed to a greater variety of chemical hazards
- High performance nitrile compound providing an outstanding combination of chemical resistance and strength for optimal results in wet or dry work environments
- The glove offers superior snag, puncture and abrasion protection over rubber or neoprene gloves
- Won't swell, weaken or degrade, and does not promote contact dermatitis

Industries

- Automotive
- Machinery and Equipment

AlphaTec[®] Solvex[®]

37-145

Excellent chemical protection with a good level of grip, fit and comfort

Key Features

- No inner cotton flocking, reducing risk of lint contamination and • making it ideal for production areas sensitive to the introduction of external impurities
- Sandpatch finish giving the glove a smooth surface that decreases indirect costs thanks to fewer rejects of fragile parts
- Fully reusable, with an unequalled abrasion resistance
- Provides superb comfort for the wearer
- Complies with FDA food handling requirements (21 CFR 177.2600)
- Also available in vend pack
