# Engineer Safety Glasses

## Plus Series Specification Sheet

### PRODUCT DESCRIPTION:

One of our first eyewear offerings is still going strong! The Engineer® is constructed from a nickel-silver alloy and features spatula temples that are constructed of a brass alloy for easy adjustment. The nose pad is also adjustable and constructed from soft, pliable PVC for comfort.

### FEATURES:

- Spatula temple design
- Non-slip, soft temple material
- Soft, pliable PVC nose pad
- Exclusive Duramass® scratch resistant coating
- Rugged polycarbonate lens filters 99.9% of harmful U.V. rays
