

## 48" Magnetic I-Beam Level

Get the readings you need while keeping your hands free for other tasks, like measuring and marking materials, when you use the Empire® Level 48-Inch I-Beam Magnetic Level. It has a high-strength magnetic edge that securely holds the tool on pipes and other materials while you work. The Empire Level 48-inch magnetic I-beam level features all-metal construction for strength and durability on the job site. It has a V-groove as well, that keeps it stable when working with conduit and pipes. The acrylic vials are durable but also replaceable for your convenience. To protect the vials and frame from accidental drops, the Empire Level box beam level has beveled end caps. It also has a top read window for overhead visibility of readings. Store the tool easily with its built-in hang hole.
