

ITEM# 6117-33S

5" Small Angle Grinder with Shroud

The 13 Amp 5" Small Angle Grinder (Slide, Lock-On) delivers up to 30% more durability and power than the competition. With a 2,100 MWO motor that powers through the toughest jobs, the 6117-33 is the perfect match for industrial users. Milwaukee's Electronic Advantage includes Overload Protection to maximize motor life, an Electronic Clutch that extends tool life and helps prevent bind-up, Line Lock-Out that prevents automatic start-up after power loss, and Soft Start. Constant Power Technology® enables the grinder to maintain speed under load for unmatched performance and productivity. Featuring a 100% tool-free design, this Grinder allows the user to change all accessories, including hubbed product, without a wrench. In addition, the tool-free, burst resistant, adjustable guard allows users to make quick guard installations and adjustments. Also included is a surface grinding dust shroud. When attached to the 8960-20 8-Gallon Dust Extractor, this solution will be compliant with Table 1 of the OSHA regulation on crystalline silica dust (29 CFR 1926.1153).

INCLUDES:
