Compact 4-Inch Measuring Wheel

Compact Convenience

A small wheel with time-saving features

In addition to having legendary Lufkin® accuracy and durability, the Compact 4-Inch Measuring Wheel has features designed to make it easy to use and save time on the job. Its telescoping handle is infinitely adjustable and closes to make the entire wheel less than 20 inches long for easy stowing. And while you're recording measurements, its built-in kickstand keeps the wheel standing and ready for action.

- **Dual wheels for accuracy**
- **Gear drive counter for superior accuracy and durability**
- **Telescoping handle for infinite fit adjustment**
- **Wheel shortens to under 20 inches overall length for easy storage and transport**
- **Built-in kickstand for quick and convenient measurement recording**
