

Multi-Function Headlamp

Spot High Spot Low White Flood

Red Flood Green Flood

This non-rechargeable multi-function headlamp features a multi-position tilt head design and includes an elastic head strap with a non-slip lining. The top mounted dual switches provide high/low-brightness spotlight for distance illumination and white/red/green floodlight operation for illuminating objects that are close by. Power comes from 3 AAA batteries (included).

*Limited Lifetime Warranty • Product is warranted to be free from defects in workmanship and materials for the original purchaser's lifetime. The Limited Lifetime Warranty includes the LEDs, housing and lenses. Rechargeable batteries, chargers, switches, electronics and included accessories are warranted for a period of two (2) years with proof of purchase. Disposable, non-rechargeable batteries are excluded from this warranty. Normal wear and failures which are caused by accidents, misuse, abuse, faulty installation and lightning damage are also excluded.
