

7166

Designed to handle rough, abrasive materials, the SHOWA 7166 features a reinforced safety cuff and an exclusive coating that is an excellent barrier to oil and grease.

BENEFITS

- Exclusive coating provides superior cut, puncture, snag and abrasion resistance
- Smooth grip provides good dry grip and more flexibility
- Oil resistant
- Coating prevents oil dripping through while protecting the entire hand against rough and abrasive materials

FEATURES

- Full nitrile coating
- Reinforced safety cuff
- Smooth grip
- Economical replacement for leather
