

# SAITLAM™ FLAP DISCS OFFERING

Product	Product Type	Backing	Product Shape
SAITLAM™	High Performance	Nylon	Flat (Type 27)
SAITLAM™ K	High Performance	Nylon	Conical (Type 29)
SAITLAM™ F	High Performance	Fiberglass	Conical (Type 29)
SAITLAM™ UP	General Purpose	Fiberglass	Flat (Type 27)
SAITLAM™ UK	General Purpose	Fiberglass	Conical (Type 29)
SAITLAM™ PN	General Purpose	Plastic	Flat (Type 27)
SAITLAM™ KN	General Purpose	Plastic	Conical (Type 29)

**2A - General purpose aluminum oxide**  
**3A - Aluminum oxide with grinding aid for cool cutting on stainless steel**  
**Z - High performance zirconium**

# SAITLAM™

## Flap Discs

"FROM GRINDING TO FINISHING"

www.unitedabrasives.com

# SAITLAM™

## High Performance

# SAITLAM™

## General Purpose

### SAITLAM™ & SAITLAM™ K

SAITLAM™ (flat) and SAITLAM™ K (conical)

**Nylon, non-scratching backing is strong and resistant to high temperatures and chemicals**

**Strong & Durable**

**Fiberglass backing will not smear and wears away with abrasive material**

**Lighter & Quieter**

### SAITLAM™ F

SAITLAM™ F (conical)  
Also available in 5/8-11 hub

**TECH TIP**

**SAITLAM™ & SAITLAM™ K-** The abrasive material is adhered into the nylon backing for maximum safety  
**SAITLAM™ F-** Contains more fiberglass for safety than the majority of competitors' products.

**Excellent Value!**

### SAITLAM™ PN & SAITLAM™ KN

SAITLAM™ PN (flat) SAITLAM™ KN (conical)

**Plastic, non-scratching backing is strong and resistant to high temperatures and chemicals**

**Unmatched Safety & Value**

### SAITLAM™ UK & SAITLAM™ UP

SAITLAM™ UK (conical) & SAITLAM™ UP (flat)

**TECH TIP**

**General Purpose**  
SAITLAM™ flap discs offer a cost effective and safe way to grind and finish in one step

**Fiberglass backing will not smear and wears away with abrasive material**  
**Multiple layers** of fiberglass ensure maximum safety
