¹ This mounting kit will be available starting February, 2017. Until then, the 2102-0-01 can be substituted. See Product Update Bulletin 16-0008.

² If the Sprinter van has factory installed roof mounting rails, this kit is not necessary.

³ A 70521 handle kit is also necessary to actuate the ladder rack.

⁴ As there are many different styles of trailers, check for adequate rack clearances.
